

BSA TROOP 12, FRAMINGHAM

Nobscot Cabin Trip

We will be heading north to stay at the unique Haynes Lodge at the Nobscot Scout Reservation. This is the octagonal shaped building up on the hill. It will be about a 2 mile hike to the cabin, so bring a sled to transport your personal and troop gear to the cabin. We will be sleeping indoors on bunk beds. There are mattresses, but I would recommend bringing a sleeping pad. On Saturday afternoon we will challenge man versus technology for animal tracking. We will also practice climbing out of tricky situations using sliding knots on a rope. On Sunday morning we will try to leave by about 8:30am. Be prepared for temperatures ranging from 0 to 50 degrees. Meals will be backpacker type meals.
